

# LEVEL 3/6: 1- DAY TRAINING COURSE

## Emergency Paediatric First Aid

### DESCRIPTION

This one-day Emergency Paediatric First Aid course has been designed for those who have an interest in child and infant Basic Life Support, including parents, guardians and family members.

The qualification is designed for learners with a responsibility for the care of children and babies and provides knowledge and skills to deal with a range of paediatric first aid conditions and incidents.

The purpose of the qualification is for the learner to attain the knowledge and practical competence required to deal with a range of Paediatric First Aid situations.

The FAA Emergency Paediatric First Aid qualification is unit 1 of the two-day FAA Paediatric First Aid qualification. From gaining this Emergency Paediatric First Aid qualification learners could progress to completing unit 2 and being awarded the 2-day FAA Award in Paediatric First Aid.

### DURATION

Total qualification time (TQT) is 7 hours with at least 6 Guided Learning Hours (GLH) in the classroom, plus some pre-course study. The qualification can be delivered over a maximum of a 4-week period, with each training session being a minimum of 2 hours.

### SYLLABUS

A range of subjects is covered including:-

- **Role of the Paediatric First Aider** • **Primary Survey** • **Resuscitation (CPR including the safe use of an AED)**
- **Wounds, Bleeding & Shock** • **Seizure** • **Choking** • **Minor Injuries** • **Recovery Position**

### AGE LIMIT

Students must be a minimum of 16 years of age to qualify.

### NUMBERS

A maximum of 12 students can be accommodated on this course.

### ASSESSMENT INFORMATION

The qualification is assessed both through practical demonstration and oral questioning. A learner must successfully pass a practical assessments to achieve the qualification. There is no grading of the assessment; learners pass or are referred.

### CERTIFICATION

The qualification is valid for three years from the date of achievement. It is recommended that the learner attends annual refresher training. The learner will need to complete the full course again to requalify for a further three years.

### LOCATION

We are able to deliver this course on your site, subject to a pre-course assessment of your premises, reducing your costs in respect of additional time out and travelling.

Whatever your First Aid training requirement, there is a degree of flexibility within most programmes to accommodate it.
